Dear Parent/Guardian:

On Saturday, October 14 and Saturday, October 21, Lake Park High School will administer the PSAT 8 assessment to all eighth grade students in preparation for their freshman year. It is important that students do as well as possible on each component of this exam as these test scores will impact student placement into classes next fall.

Each student planning to attend Lake Park next year must take these tests at Lake Park, which will provide individualized information about a student's aptitude in reading, writing, language, and math. This test must be completed in order to generate a schedule for your student.

Students have been assigned to a test date based on their middle school. Please review the schedule below to determine your student's assigned testing date:

Session 1 - October 14, 2017

Medinah Middle
Peacock Middle
Spring Wood
St. Luke
Trinity Lutheran

Session 2 - October 21, 2017

Queen of the Rosary
Roselle Middle
St. Phillips
St. Walter
Westfield Middle
St. Isidore

Students must report to the Lake Park East Campus (600 S. Medinah Road) by 7:45 a.m. and enter the building through the main entrance. Testing will begin promptly at 8:00 a.m. Students will not be admitted to the testing area after 8:00 a.m. Testing sessions will end at approximately 11:00 a.m. **Each student should bring two #2 pencils, an eraser, and a calculator.**

We look forward to seeing your student in October for this PSAT 8 Placement Exam and again on Wednesday, January 17, 2018 for the Incoming Ninth-Grade Family Night.

Best wishes for a successful eighth-grade year! We are excited to welcome you into the Lake Park family.
