

WEB PERMISSION FORM PARTICIPATION AND POSTING/PUBLISHING STUDENT INFORMATION

Dear Parents/Guardians:

As part of your son's/daughter's educational program at Keeneyville Elementary School District 20, he/she may have the opportunity to participate in projects on the World Wide Web. In addition, there may be opportunities for certain student information to be posted/published on the School District's Web site. That information may include student photographs, student projects (such as book reports or research papers), or information regarding a student's scholastic accomplishments or participation in school-related activities.

Student information which is included on the School District's Web site will be posted in accordance with the Web Guidelines for Keeneyville Elementary School District 20, which include the following:

1. Published documents will not include a student's last name, phone number, home address, or names (other than first names) of family members.
2. The District will only publish school e-mail addresses and not private e-mail addresses.
3. Documents will not include any information regarding the physical location of a student at a given time other than attendance at a particular school or participation in school activities.
4. Photographs in which any individual student is identifiable will not be accompanied by the student's last name, phone number, home address, school attended, or school e-mail address.
5. Documents will not contain objectionable material or point directly to objectionable material.
6. All Web content published on the District's site must conform to School Board policies, established school guidelines, and the District's Acceptable Use Policy.

Student information regarding your child will be published on the District's Web site only with your written permission. Please consider the following options, and, after completing this form, return it to your child's teacher. Thank you for your cooperation.
