

School District Organization

Belief Statements

Literacy of all students needs to be the main focus in all curricular areas at all grade levels.

Mutual respect and acceptance are a right of everyone.

All deserve learning opportunities that validate individual abilities and talents enhanced by social and emotional support.

Commitment to quality staff development results in improved instruction.

Students and staff deserve an enjoyable learning experience.

The district needs to be fiscally and financially sound and have the resources to implement its goals.

Active involvement by the community is necessary to provide the best education for students.
