Student Social and Emotional Development

Student social and emotional development shall be incorporated in the District's educational program and shall be consistent with the social and emotional development standards to be contained in the Illinois Learning Standards. The objectives for addressing the needs of the students for social and emotional development through the educational programs are to:

1. Enhance students' school readiness and academic success;
2. Foster a safe, supportive learning environment where students feel respected and valued;
3. Teach social and emotional skills to all students;
4. Partner with families and the community to promote students' social and emotional development.
