

## **SPRING WOOD EDUCATIONAL FOUNDATION UPDATE**

After being re-established in May of 2010, the Educational Foundation has made some exciting progress in efforts to help the children of District 20. We couldn't have come this far without the support of our wonderful families and local businesses. Here are some of the grants we have awarded thus far:

In 2010, we granted the Spring Wood Middle School's Student Council \$1,000. Without this donation, the club would not have been able to operate that year.

In 2011, we granted \$3,000 for the boys and girls Basketball teams at Spring Wood Middle School. Due to budget cuts, their season would have been canceled.

In 2011, we granted \$400 for band programs at Waterbury & Greenbrook Elementary Schools. This support is helping us build our music program.

In 2011, we granted a \$1,000 to Greenbrook School for the renovation of their playground.

In 2011, we granted \$1,000 to Waterbury School for Library books and a device to make the Promethean board mobile.

In order to make further progress in our quest to help the children of District 20, we need your help in the form of resources, donations, volunteer assistance, and contact recommendations. If you are a business owner, or you work for a business who would be interested in contributing to our efforts, we would love to hear from you. Any individual who would like to volunteer their time, or would like to talk to us about an idea, please contact: Carrie Williams (630)307-0531 or Vicky Stewart (630)894-4518.
