Dear Parents:

Welcome back!! We hope everyone enjoyed their summer vacation. This letter is to inform you of some new discipline procedures that will be in place for the school year.

This year we have added two more steps in the detention process. Students who accumulate 3 lunch detentions in a quarter will automatically have an after school detention. Students who accumulate 3 after school detentions in a quarter will result in a Saturday School. If a student receives an after school detention the parent is responsible for picking up that student. This is a consequence of the student's choices. Greenbrook will **not** provide transportation

Saturday School is a session where students, with staff and administration, will deal with correct choices, following rules, and anger management.

Greenbrook's staff understands that success in life is every parent's wish for their child. It is important to begin making the right choices now to achieve success.

We are certain that we will have your support and cooperation in the implementation of these procedures. Together we can help all of our students make good choices to become successful.

Thank you in advance,

Mr. Tod Tecktiel
Principal
