VI. Items for Committee Discussion

a. Keeneyville 120<sup>th</sup> Anniversary Activities – Time Capsule

The committee decided it would be best to wait to bury the time capsule at the District 20's 125<sup>th</sup> anniversary. The celebration for the 120<sup>th</sup> included a traveling display of historical artifacts and every building had an opportunity to host it. With upcoming construction, it would be better to wait.

b. Update on Website RFP's

The committee interviewed three companies and decided on Finalsite as the best fit for District 20. Work on the design will begin after Board approval and the site is expected to launch on July 1 to coincide with start of the 2019-2020 school year.

c. Parent Café Executive Committee

All districts are required to have a parent advisory committee. Since the Parent Café Executive Board is already in place, it was determined this group will become the Superintendent's Advisory Committee. The committee will continue its current work but also review and make recommendations regarding the District 20 Student Handbook.
